

Resetting Your Password

Step #1

If you are unable to login due to an incorrect password, please use the following instructions.

Enter your Username and click 'Lost your Password'

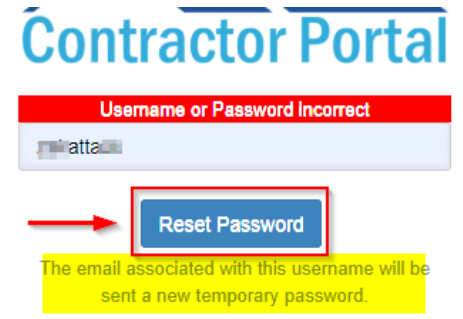

If you do not know your Username, please call Contractor Care at: (866) 414-5775 x400

Step #2

Click 'Reset Password'
An email will be sent with a temporary password.

If you do not receive an email, please call Contractor Care at (866) 414-5775 x400

Step #3

Check your email that was assigned to your username during account setup, or the main email listed in your portal profile to receive your temporary password.

A password reset was requested for your YourWebPro Contractor Portal. If you did not request this change, please [Email Contractor Care](#)

Your temporary password to the Contractor Portal is *********

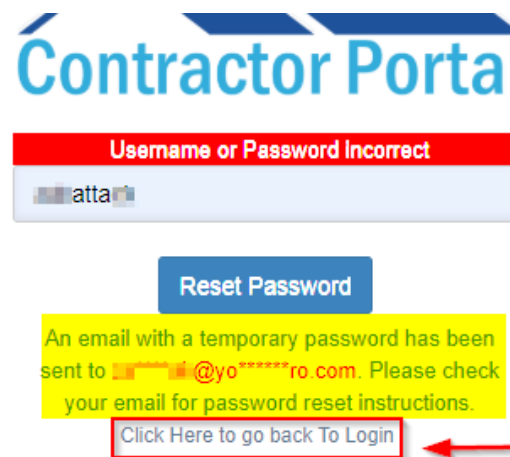

If you encounter additional issues logging in, call YourWebPro at (866) 414-5775 ext 400

Sincerely,

The YourWebPro Team
(866) 414-5775
contractorcare@yourwebpro.com

Step #4

Click 'Back to Login'

Step #5

Enter your username and type (or paste) your temporary password from your email and click Log In.
